## **ONLINE APPLICATION FORM**

### **Admission**

All international applicants who meet the admission criteria defined by the KJU regulations are admitted to the complex program made up of a pre-bachelor or pre-master (PREP) semester and the chosen bachelor or master course. Students who complete successfully the PREP semester will automatically earn a place in the chosen bachelor or master course at KJU on condition they will have attained the pass mark by the end of the PREP semester. The academic credits (ECTS) will be acknowledged and transferred to the chosen bachelor or master studies, which means that you can already accumulate half of the compulsory 30 ECTS for an academic semester of your chosen degree course.

#### Admission Criteria

##### Bachelor Studies:

- completed secondary education which entitles the applicants to pursue bachelor studies in their the home country (high school diploma)
- Good command of English (minimum IELTS 5.0 or equivalent)

##### Master Studies:

- completed bachelor studies of 6 or more semesters (Bachelor Honours degree)\*
