UNIVERSITÀ  
DEGLI STUDI  
DI MILANO

**Studying in Milan**  
*Italian capital of innovation*

## Why the University of Milan - La Statale

Studying at the University of Milan brings you into the heart of a sound Italian cultural tradition and into the thrill of a unique insightfulness for innovation that will land you to a top international career.

By applying to one of our bachelor or master degree programmes you will have the opportunity to:

- join in a leading teaching and research intensive university: the only Italian institution among the 23 members of LERU (League of European Research Universities) and partner of the 4EU+Alliance, one of the consortium selected for funding in the first pilot "European Universities" call as part of 2019 Erasmus+ programme
- live in the exciting and dynamic city that hosted Expo 2015: Milan known throughout the world for science, finance, fashion, design and art.

## Boost your talent

Like all the 133 degree courses on offer for the academic year 2019/2020, our international programmes in English and the double degree paths – listed below – are designed to get the best out of your talents. You just have to make the first move and apply!

## Apply for incentive grants

Being an international student you can apply for the Excellence Scholarships programme consisting of 150 scholarships for the best International Students who apply to Master's Degree Programmes within June 30th, awarded as follow:

- 50 incentives of 6.000 euro plus enrollment fee exemptions
- 100 enrollment fee exemptions incentives.

## Learn Italian with us

Enrolling at the University of Milan gives you the opportunity to learn Italian language while studying. Don't miss it!

International students will be divided into different language programmes (from beginners to intermediate or upper intermediate) on the basis of their starting Italian language level.

Other options at various levels include: courses for Erasmus and Marco Polo students; summer courses in Milan or Lake Garda.
